### **Minutes**

Attendees:

Gail and Bob Cafferata, Steve Sarsfield, Bob and Shannon Chivvis, Bill Daniel, Pat Broderick, Mark Madigan, Wallace Whiting

- We approved the **minutes** from the April meeting
- Mark Madigan reported that the **club financials and membership** are ok. We currently have 17 paid members.
- Mark Alarie reported that not much has changed on the **website**. He suggested that there might be a way to RSVP for events using the website since our meetup account will be ending soon. He also suggested the idea of putting together a member's boat directory to give us an idea of the makeup of our fleets in the club.
- **Spring Lake Summer Series**; a coordinator and Notice of Race are needed.
- Pat Broderick reported about the **Oakland Estuary Adventure Sail**. It is scheduled for Saturday, June 15 and similar to last year's except lunch will be at the Lungomare restaurant at Jack London Square. Mark will put a notice in the Telltale and website. Pat would like to have RSVP's by the June 12 meeting in order to make restaurant reservations.
- Wallace has received the **new club burgees** and we decided on a selling price of \$32 each. We sold several to meeting attendees.
- The **re-scheduled awards banquet/picnic** is planned for the Sunday, May 19 race. Members should bring their own meat & beverages and a dish to share. Gail will supply the charcoal for the grill.
- We plan to set the date for the **Richmond/Marina Bay adventure sail** at next month's (June) meeting. Pat will set up with the Richmond Yacht Club about any plans for lunch.

Meeting adjourned about 7:30 pm; next meeting June 12, 2019.
