Minutes

Attendees:

Bill Daniel, Steve Sarsfield, Mark Madigan, Pat Broderick, Mark Alarie, David Gray

We approved the minutes from the February meeting.

Mark Madigan reported that we have 9 paid memberships this year and that liability insurance and rescue boat registration have been paid. We are solvent and more or less on usual schedule.

Spring Lake Winter series is completed, Final results need to be tabulated.
Spring series Notice of Race is completed and Mark will put it on the website.

Spring adventure sail will be at Marina Bay in Richmond. Pat will email David some proposed dates and David will send out an email asking for date preferences.

The annual pot-luck "banquet" will be after the Spring Lake Spring Series races on Sunday June 28. Trophies for 2019 will be awarded. Gail and David will prepare these. Gail is to order frames; then David will order plaques.

Labor Day Regatta. Mark will submit a permit request now. Bill contacted the Rangers at Point Reyes and they said all is fine, the person who complained last year is no longer there, and we do not need a face to face meeting.

We discussed the launch engine again. Plan A is to replace the current engine. We will continue to discuss this.

We discussed club records. Mark Alarie reported that lots of documents have accumulated on the old website. We agreed that there is no reason to keep paper copies of recent minutes, etc.

Meeting adjourned at 7:30
Next meeting: April 8. 2020
